

**The John F. Kennedy BEAT
(Biomedical/Environmental/Agriculture/Technology) MAGNET
PROGRAM**

Founded in 2000, The Biomedical, Environmental, Agriculture Technology (BEAT) Magnet Program at John F. Kennedy Middle School features a long tradition of success as one of the best middle grades magnet programs in the nation. The BEAT Magnet Program has celebrated twelve National Magnet School of Excellence Awards, an honor bestowed annually to the top five percent of magnet schools nationwide. BEAT Magnet Program is an elite National Certified Magnet Program - one of only a fraction of schools in the entire nation to receive this prestigious honor. Our school boasts specialized offerings with our thematic magnet curriculum infused into all academic classes. All magnet students participating in our program accelerate with advanced and gifted level coursework and the opportunity to enter high school with four high school credits.

Please contact doreen66@dadeschools.net to set up a tour of our BEAT Magnet program at John F. Kennedy Middle School. You can also contact us by phone at 305-947-1451 ext. 2262.

Magnet applications for the 2020-2021 school year are available online at www.yourchoicemiami.org.

The deadline to apply for all magnet programs is January 15th, 2020.
